Dear Parent/Guardian,

Re: 2023 Parent Payments – YEAR 2

Ormond Primary School is looking forward to another great year of teaching and learning and would like to advise you of Ormond Primary School 's voluntary financial contributions for 2023.

Department of Education and Training funding allows schools to provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families through parent contributions ensures that our school can offer the best possible education and support for our students. We want to thank you for all you support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

We invite you to support our school by making a Curriculum Contribution, so that we can continue to provide these opportunities for all students We want to thank you for all you support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs and facilities we can offer.

Within our school this support has allowed us to implement high quality specialist programs at the school including Visual Arts, Performing Arts, Science, and STEM; enhanced digital learning opportunities with provision and access to laptops and iPads; and the upgrade and maintenance of our playgrounds and school buildings.

Family invoices will be open for payment via Compass in January 2023. Please find attached the fee schedule and breakdown of student charges and family contributions. As was the case in 2022 schools can no longer purchase books on behalf of the parents. Whilst Maxim is the school's preferred supplier of student stationery, families may purchase this from elsewhere if they wish. If parents wish to purchase books from Maxim, please refer to the attached book list (Appendix B) for information regarding this process. **Please note that for books to be delivered to the school prior to the 27th January 2023 they must be ordered and paid for by Friday 9th December 2022. Any books ordered and paid for after this date will not be delivered to the school prior to the commencement of the school year. If you have any queries please don't hesitate to contact us.**

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Payment methods

Family invoices will be open for payment via Compass in January 2023.

Receipts will still be issued for any parent contributions paid at the office and Tax deductible receipts for donations made to the Building Fund.

It is the school's preference that all payments are made via the Compass Parent Portal as you will be able to complete all annual school agreements required at the same time. Compass accepts Visa Debit and Credit cards.

The automatic option for Payment Plans on Compass is no longer available. If you wish to pay your parent payments via instalments please contact Jan Cassidy (Business Manager) on 9578 1327 or ormond.ps@education.vic.gov.au.

Manual payments can be made at the office by credit card or EFTPOS. If you choose this option you must still access Compass to complete the annual school agreements. Manual payments will not be accepted over the phone or by writing credit card details on the bottom of the payment slip.

Donations to the Building Fund are tax deductible and a separate tax deductible receipt will be issued
