

Vision:

- That all students are provided with a balanced and challenging curriculum program that has continuity and consistency from Prep to Grade 6 in all eight key learning areas.
- That all students be provided with the learning opportunities and experiences that they individually require.

Action:

- Provide challenging, engaging and practical learning experiences
- Inform parents of their child's progress and invite them to be active participants in their child's learning.
- Provide learning opportunities that will be open-ended, cater for the multiple intelligences of all students and will develop thinking skills.
- Provide extension and intervention opportunities for all students according to need.
- Encourage further improvement in students' social skills and the self-confidence to enable them to take responsibility for their own learning.
- Encourage all teachers to enhance their skills and understandings through Professional Development programs.
- Ensure teams of teachers will constantly review and analyse units of work, resources and teaching techniques.
- Encourage the use of technologies to enhance learning opportunities.
